

KELLY CLUB AITKEN NEWSLETTER TERM 2

During the start of the term the children shared some interests, ideas and suggestions in regards to the types of activities they would like to participate in this term. Kelly Club will aim to meet the needs and interests of the children and put that into each week of our planning.

We started term 3 with a bit of fun, our theme for the week was “Wizards and Fairies”. The children were engaged with different activities including making wizard hats and medallions, decorating fairies, eating fairy bread and colouring in some fairy magnets.

During our second week of term the children explored the country of France. We had some French themed activities including, colouring in the French flag, ate yummy croissants, played a French ball game called Pétanque, watched Ratatouille and painted the Eiffel Tower. The children did a fantastic job, and were excited to be extending their learning about France, as they also celebrated it during school time.

In the next few weeks we will be learning about Sustainability, and giving the chance for the Grade 5's to pick the activities for the week.
