

WHY WE ROCK

Sensory Safe Play Space

We Rock the Spectrum Kids Gym is a carefully thought out **play space** that caters to the needs of children of **all abilities** and of **all neuro-types**. WRTS Kids Gym is a **global brand**, conceived in the USA by Dina Kimmel, mum to a child on the Spectrum. Founded in 2010, it now services thousands of children in over 85 gyms worldwide, and growing.

We are excited to announce that this **sensory safe**, open-to-the-public Kids Gym is now open in **MOORABBIN** and has been running since 13th June, **2020**.

WRTS Kids Gym provides a sensory-friendly, fun environment which fosters learning and exploration for kids with *Autism, special needs and neurotypical development*. It is fitted with specially designed occupational therapy equipment, aimed at optimising the developmental growth of children with special needs while at the same time benefitting **all** children.

There are many facets to WRTS Kids Gym:

- ♦Open Play Space
- ♦Zip Line
- ♦Calming Room
- ♦Sensory Corner
- ♦Therapy Swings
- ♦Climbing Frames
- ♦Arts & Crafts Area
- ♦Crash Mats

Our facility offers a variety of options for you, whether as a parent, carer, school, kindergarten, community or sport group, allied health service, or as a member of the

special needs community. Book a **Party Package** for your child's birthday, allow yourself some 'time-out' with our **Respite Care** options, plan the school break with our half / full day **Holiday Programs**, have your child attend our **After School Program**, take advantage of our monthly **Parents' Night Out**, join your child into one of our **All Abilities Classes**, rent a **Therapy Room** from which to run your allied health service, hire our **Community Space** to hold

your talk / workshop while the kids play in the sensory friendly space, shop in our **We Rock Store**, bring your child in for **Open Play** time while you take a breather and enjoy a treat at our **Coffee & Snack Bar** or, organise an **Excursion** to WRTS with your school group.

Our mission is to provide all children no matter their development or ability level, a place to **build friendships, keep active** and **use their energy** in a productive environment.

We welcome all your **enquiries**. We are also pleased to offer local centres the opportunity to co-host very special **free preview evenings** to bring clients and staff into *WRTS Kids Gym, Moorabbin*. We will also be emailing out an ad that we hope you may be kind enough to include in your communications with your client families. We have included some posters and would dearly appreciate you putting them up at reception for families to learn about this new gym for kids of ALL abilities.

Kind regards, **Rebecca + Lisa**

MEET THE OWNERS

We are two mothers of kids with special needs. Since our children's diagnoses we have arrived at our 'new normal' and we have become passionate advocates for an authentically inclusive society. We want to make a difference in our community and provide a space that is easier to be in. We know firsthand how difficult an outing can be with our kids and the challenges that come with basic day-to-day functions. For this reason, we are bringing We Rock the Spectrum Kids Gym to the Southern Metropolitan Region.
