# 4F CLASSROOM

## 4F Highlights

As we come to the end of Term 4, it has been a busy and rewarding time in the classroom. Students have been engaged in a range of learning experiences related to our integrated topic 'Toys and Games Inventors.' Students were involved in various research projects using inquiry-based thinking to create biographies, budgets and historical recounts. Through team sport activities and student-led circle times, it has been wonderful to see new friendships form. Each student delivered their own Powerpoint presentations throughout this year, working on their communication, presentation, and independent thinking skills. 4F should be so proud of their hard work, resilience and positive attitude to learning this year. We wish all families a safe and restful holidays.
