Sydney Jewish Museum - History Excursion

Dear Parent/Carer

Year 11 and Year 12 Modern History will be embarking on an excursion to the Sydney Jewish Museum on **Thursday, 7 March, 2019**.

The tour operates from **10am – 1pm** and explores the various historical events and experiences of the Jewish people during the Second World War. As part of both Year 11 and Year 12 syllabus students explore the Holocaust in different facets. In Year 11 Modern History, students have studied the topic – *'The Construction of History: The Holocaust'*. Within this unit students have been challenged to explore the realities of war, within a political, social and ethical realm. Whereas in Year 12 Modern History students have studied the topic – *'Power and Authority in the Modern World'*, which reflects on the rise of dictatorships, in particular Adolf Hitler and the Nazi Party. This excursion is designed to both expand students understanding of the modern world, allow them to develop their skills of critical analysis, and enrich their values and attitudes that shape their curiosity to the world around them.

After, the tour at the Sydney Jewish Museum, students will be having lunch around the area prior to returning.
