

Emmanuel College Latest News

Emmanuel's Marianist ethos is expressed in a safe and secure Catholic environment, based on compassion, respect, justice and responsibility which fosters the development of the learning and faith community.

Congratulations to all students and staff that participated in the Relay for Life last Friday evening, raising \$12,000 for the Cancer Council. This event is held in memory of those lost to cancer, in honour of cancer survivors, their families and carers and in support of cancer research. As well as participating in the Relay for Life, Zoe Jefferies in Year 9, crocheted daffodils to raise additional funds for the Cancer Council.

A Trivia Night was held in support of the Opening the Doors Foundation which provides support and educational opportunities within Victorian non-government schools for First Nations children. The foundation enables students to participate fully and equally in education. Those that attended the evening enjoyed bidding in a silent auction and had lots of fun answering the trivia questions.

We are very proud of everyone that participates and achieves personal best in their learning, sport, musical and other events that are held on and off campus. Congratulations to the Senior Girls Soccer who achieved an amazing 3rd place in the Football Victoria State Futsal Championships, and to the Badminton team in reaching the finals. Other exciting activities that Emmanuel students have participated in are Year 9 students studying Spanish went to the Brunswick Kitchen to learn how to make tacos; Vocational Major-VCE students did landscaping at Annunciation Primary School and students helped clean up the environment at Altona foreshore.

Applications for Year 7 2026 closed on Friday 16 August. If your child is currently in Year 5, and you have not applied for Year 7 2026, please contact College Registrar, Ms Donna Grech on 8325 5100 as soon as possible.

Yours sincerely

Jenny Hendricks
