Dear Parent/Carer,

We are delighted to announce that Australia's most celebrated education resource is now available to your child at home as part of our school subscription – StoryBox.

A digital library designed to help inspire reading in kids of all ages, your child can now watch their favourite stories, read aloud by fun storytellers at home as well as in the classroom.

Reading aloud to children, in particular by diverse and engaging storytellers, greatly improves language and literacy skills, especially in the early years of a child's development.

Let StoryBox be the gateway to creativity, imagination, and a world where stories come to life!

Happy story sharing!
