The current global pandemic has had a devastating impact on all of us. It impacted on children being able to learn in a physical environment, and for children with additional needs, it has impacted their therapy and progress significantly. Shine literacy offers opportunities to children to further advance their school readiness development by bridging kinder through to grade 6.

THE DETAILS

- Preschool Early Literacy – held on Tuesdays and Thursdays for 45 minutes at the dyslexia Hub in Greensborough
- Private or group sessions of up to 4 children
- All children are individually planned for using the MSL science of reading approach.
- Private tutoring sessions available for school aged children in their school environment.
- Parental input and a strong family partnership is encouraged to work together on mutually agreed goals.

In our sessions children will be given opportunities to share their ideas and build on their existing knowledge to expand on their vocabulary, phonemic awareness and phonics development. All of which are vital steps in reading and writing Development. Held in the beautiful literacy rich space, at the Dyslexia Hub Library in Greensborough or private sessions available at your child's school during their school day.
