April School Holiday Program

6 hours per course - 3 hours a day over 2 days

Courses available in:

NAPLAN Preparation

Familiarise your child with NAPLAN questions with help
from specialist teachers who will refine your child's skills in
literacy and numeracy and hone in on recurring problem
areas.

Essay Writing

Help your child learn how to write persuasive essays. Your
child will practise skills to improve their writing for any
subject, including NAPLAN.

Foundation Maths and English

Recommended for students in Years 7 and 8 who would
benefit from revising subject concepts and skills practice
to prepare for the new term. Foundation courses will give
your child a boost in confidence and will address gaps in
understanding. Your child will have ample time to practise
with feedback on their work from our qualified teachers.

Advanced Maths and Intermediate English

Recommended for Year 9 and 10 students who would like
to extend their understanding in their subjects. Students
will review the more difficult components of the course
and preview upcoming work. Your child will have ample
time to practise with feedback on their work.

Learning Skills

Build your child's confidence by learning time
management, homework strategies, goal setting, learning
techniques and many more skills to build their confidence
and motivation.
