ROLE

Coordinator

QUALIFICATION/S

BSc, DipEd, Post Grad in Psychology
First Aid

HOBBIES

Walking, reading, cooking, travelling

LANGUAGES

English
Spanish

ABOUT ME

I taught Maths and Science for 10 years and have also worked in health care. However, I returned to my first love – working with children – three years ago with OSHClub.

MY FAVOURITE ACTIVITIES

I enjoy cooking, science experiments, writing stories, fluid art and making up rhymes. My favourite group games are sharks and minnows, octopus, and dodgeball.

FUN FACT

Many years ago, I ran Survivor type camps for foster children in Western Australia (where I had a pet kangaroo that I carried a backpack on my chest).

MY GOAL AT OSHC THIS YEAR

I recently started baking bread. It's remarkably easy. I would like this to be the first thing I introduce to the program.
