Prep M have done a great job settling back into school this term. They have been very busy learning lots of new things!  
On Friday we had circle time and talked about all the different things we like about school. We went around the circle and everyone had a turn to tell us something they like doing at school and why. We then all drew a picture of what we like to do at school. We hope you like them!

## At school I like .....

Learning new sounds because I like doing the actions and thinking of new words.
