POSITIVE PARENTING PROGRAM

There is no one right way to be a parent; but the Positive Parenting Program offers information, support and practical answers to everyday parenting concerns.

The program is for parents of children aged 2–8 years. It involves four weeks of group work (two hours per week) and up to four follow-up phone calls (10–15 min per week).

The program looks at:

- positive parent/child relationships
- negotiating everyday challenges
- encouraging desirable behaviour
- teaching new skills/behaviours
- assisting children to label emotions
- managing common behavioural difficulties
