Program Information

There is a Pupil Free Day on Friday September 4th. SPLASH will provide a program of fun and engaging events for this day. As an Australian Government funded childcare service, we are required to allocate places to those families with the greatest need for childcare support. Priority of Access is as stipulated in the Australian Government Child Care Service Handbook section 6.3. SPLASH is required to follow Priority of Access guidelines when allocating places for childcare. This involves, when necessary, giving 14 days' notice requesting a child of lesser priority to vacate their place in childcare for a child in a higher priority situation. Further information regarding Priority of Access can be found at <https://www.education.gov.au/priority-filling-child-care-places>.

Please book early to secure your place in the program.
