

I would like to congratulate Konnie for her successful provisional appointment in another Department of Education role. Konnie will take up this new position starting Monday, 12<sup>th</sup> July 2021.

As School Council President, I have been informed by our Senior Education Improvement Leader (SEIL) that an Expression of Interest for an Acting Principal for term 3 has been advertised by the Regional Office.

Konnie has been an outstanding leader who has contributed to

- A change in student behaviour within the school community with a better understanding of the different groups we have.
- The introduction of the ACE program for higher achieving students.
- An increase in overall morale within the teaching staff.
- A clear change in the way the school is perceived in the community for the better with the rise in student numbers.
- Finalist in the 2019 Victorian Education Excellence Awards while at Lyndhurst Secondary.

William Noble

School Council President
