

Ivanhoe Primary School

Cross Country Championships 2021

39 students from Ivanhoe Primary braved the weather on Monday 10th May competing in the District Cross Country at Banyule Flats. It was a fierce competition out amongst the elements, rain, wind and grey skies. Perfect conditions for a cross country event! There was a great turn out of parent supporters for our students. Thank you to all the parents who helped make this event a great success. All individual times will be posted on the windows of gymnasium window.

Cross Country was a really fun experience. It was a good challenge considering covid. Everyone did really well and good job to all the racers
