Home Learning

It is expected that the children read for a minimum of 20 mins per night, four times a week. The children need to record this in their diary and ensure it is signed and returned to school each Friday.

Home learning will always be meaningful and may be given at various times throughout the term for the following reasons

- To reinforce skills and knowledge that the child is acquiring at school (Needs Based)
- To research, prepare for presentations, collect materials, administer surveys etc. to support classroom topics of study (Topic Based)
- To engage families in learning (Family Based)
