

Lunch orders temporarily unavailable

Dear Parents,

I hope everyone has settled quickly into the new school routine!

An update on Bunjil's Kitchen for this term; I have been advised that two of our main lunch suppliers will no longer be able to cater for us in the current Covid environment. This will mean that lunch orders and the Canteen will be on hold until alternative providers have been sourced.

In the meantime, please look out for special food days which will be published on Compass and in the newsletter. We will kick off with a Paloma pop day on Friday 19th February.

We will let you know as soon as normal service resumes.

Thanks for your patience.

Lisa
