

Pip and the Treehouse

By Prep B

Pip's Farmhouse

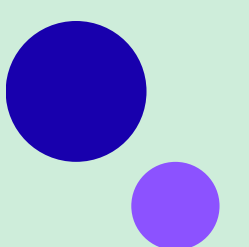

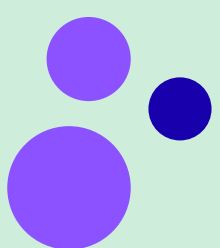

Once upon a time a little girl
called Pip lived in a peaceful farm
house in the country with her
dad.

The Fat Pig

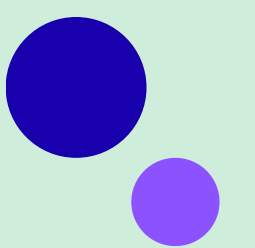

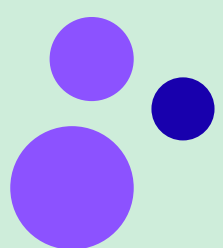

Pip and her dad were very poor.
Pip's dad asked Pip to sell their
only fat pig in the city.

The Magic Seeds

On her way Pip met an old lady.
The old lady bought the fat pig in
exchange for six magic green
seeds. Pip's dad was very angry. He
threw the seeds out of the door.

The Giant Treehouse

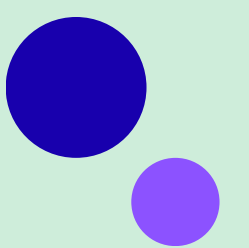

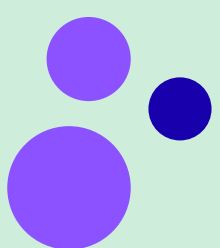

The next day Pip woke up to discover a giant tree house outside. Pip climbed up the tree house and saw a Chinese dragon sleeping beside his golden treasure. Pip sneakily stole the Chinese dragon's treasure and quickly and safely climbed back down.

The Angry Dragon

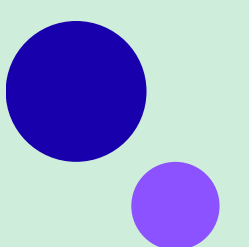

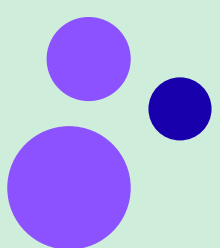

The Chinese dragon woke up!
"Someone stole my golden
treasure!" he roared.

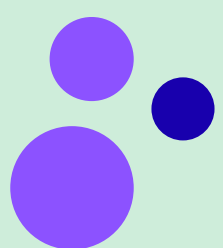

Happily Ever After

Pip and her dad got a huge chainsaw and cut the giant treehouse down! The Chinese dragon fell to his doom and Pip and her dad lived happily ever after.

The end.
