

# Welcome to 2026!

We have got a fantastic year planned - our 80th Anniversary Year!

The PFA is bursting with ideas and energy for supporting our great school and building our wonderful community. So far, we have arranged welcome letters to new families, welcome gifts for Prep parents, first day Zooper Doopers to all students and the welcome morning tea in the Hub for parents and carers. These events were very well received and now our attention is turning to our next events, especially our Pancakes and Play in the Biggee on Tuesday 18th February after school and our March 22nd 80th Anniversary celebrations kick off event.

We always welcome input and would love to have even more parents and carers involved - please contact Annie Herbison and let her know if you are interested.

If you'd just like to try one meeting first and see if it's for you before committing, our next meeting is at 8.45am on Friday March 6th in the STEM Room and we would love to have you there! The meeting will be over in an hour - we run a tight ship!

If you would prefer not to be on the PFA but are interested in helping out on a single event, there are lots of opportunities to get involved. We are currently seeking help for both these events and also the Mother's Day Stall. You can speak with any of the PFA Members for more information.

## **PFA Members 2026:**
