Director's Note

Celebrating fifty years of EDSC performance talents has been an extremely rewarding experience for all involved. The aim of this program is to capture a moment in time for audience members and cast to look back upon fondly. Above all, it is important to remember that over two hundred current students, alumni and staff have given up much of their own time planning, designing and rehearsing with the intention of bringing you a production that they are all proud of. Their selfless efforts are truly a credit to East Doncaster Secondary College, their families and themselves. On behalf of the Production Team, it has been a pleasure to work with such a committed group of students who have demonstrated such tremendous talent and enthusiasm. Finally, an extra special thank you for the years of service devoted to the Performing Arts by Ron Mannix, Amanda Broxham, Vicki Da Silva, Norm Grimmett, Carl Williams and Tina Marchant. Their passion, dedication and leadership has provided an environment for students to thrive and memories to last a lifetime.

Here's to another fifty!
