Student Information Kit

THIS INFORMATION KIT WAS CREATED FOR STUDENTS AT
Beaumaris Secondary College

What is My Career Insights?

My Career Insights is a program for all Year 9 students in Victorian Government Secondary Schools.

My Career Insights will help you discover, develop and drive your career planning.

It is a unique opportunity for you to learn more about your strengths and abilities, while exploring potential career options – giving you the confidence to start taking control of your future.

This is an ideal time for you to take a moment to reflect on who you are, and what you might want from a career.

It is a time for self-discovery and an opportunity to think about your strengths and find new ones.

The My Career Insights Journey

PHASE 1: DISCOVER

You will begin by completing a series of online questions on the Morrisby website. These questions have been designed to help you learn more about yourself and your:

values

preferences

skills

strengths

These personal insights help open-up a variety of possible career pathways, specifically tailored to who you are.

PHASE 2: DEVELOP

Once you have completed your Morrisby profile, you'll be given an opportunity to discuss your results with a Morrisby trained Careers Consultant.

This discussion may be face-to-face at school or through a video conference.

Your results will remain locked until this discussion.

This information kit will guide you through Phase 1.
Further information about Phase 2 will be provided to you by your school.

BEFORE YOU GET STARTED

- This is not an exam – there is no Pass or Fail.

- If you do not reach the end of an assessment in the allocated time, that section will close, and you will be presented with the next section. Please note, it is almost impossible to complete all the questions correctly within the designated time frame.

- If you finish early, you will need to wait until the timer stops. You should use this time to revisit the questions and review your answers.
