

Commitment to Program

We are very excited about our 1:1 iPad program in Year 5 & 6 for 2015.

Previously a notice went home to families of our 2015 Year 5 & 6 students asking them to declare their intention to take part in the program.

We have received an overwhelming amount of support and now need to finalise the relative payments to ensure the smooth commencement of the program when school returns next year.

There are two main options for parents as displayed over the page. Please fill out the option relevant to your child and return it to school by **Friday 5th December**.

All families are required to make a payment of \$20 for each participating child by Friday 5th December. This serves to indicate your commitment to participate in the program, as well as supplementing the purchase of bulk ordered apps by the school.

Ormond iPad Webstore

To make the purchase of an iPad and cover as easy as possible for parents, JB Education have designed and built a webstore for our 1:1 iPad Program. Parents can log onto the store and choose the relevant products they wish to purchase. On the site will be a choice of iPads, iPad Protective Cover and Insurance options, as well as choice of payment and delivery.

Code: OPS2015

We have tried very hard to find our families the cheapest options available.

If you purchase your items before 1st December, you will increase your chances of receiving them before Christmas.

All items purchased at the webstore after this date will arrive at the school in January ready for the beginning of the 2015 school year or will be available from JBHIFI from mid-January.

OPTION 1 - Provide a purchased iPad through the school webstore

If you are choosing to provide a purchased iPad through the school webstore for your child next year, please fill out this form and return it to the school, along with the *Acceptable Use Agreement* by **Friday 5th December**:

We will be providing a purchased iPad through the school webstore for _____ (student's name / class). We understand that this iPad needs to be available for use at school each day and will need to have an iTunes account with relevant software loaded onto it for school use.

We have read and signed the 1:1 iPad Program *Acceptable Use Agreement*.

We have read and signed the ICT *Acceptable Use Agreement*.

We have included a payment of \$20 for the purchase of software that needs to be purchased.
