Dear Parents,

I hope this message finds you well. We are reaching out to request your support for our college's Building Fund, which plays an essential role in the expansion, refurbishment, and maintenance of our facilities and resources. Your contributions ensure that our students have the best possible learning environment.

We are thrilled to share that our recent projects include the brand-new, purpose-built Waterford Learning Centre for the junior school, the refurbishment of the old junior school for Year 12, and exterior painting of Chatswood, Oxford Falls, and Workul Koo campuses. These enhancements are crucial for providing our students with a vibrant and dynamic atmosphere that fosters their growth and development.

To make a donation, please visit <https://www.bpoint.com.au/payments/stpiusxcollege> and select Building Fund in the drop down menu in the Biller Code section. You will find your family code located next to your name on your fee statement. It is essential to note that to receive a tax donation receipt for the 2024/2025 financial year, payments must be received by 30 June.

All Building Fund donations are voluntary, and your generosity and support are greatly appreciated.

If you have any questions or need further assistance, please contact [fees@stpiusx.nsw.edu.au](mailto:fees@stpiusx.nsw.edu.au).

Thank you for your continued support.

Mr Lachlan Skeen  
Business Manager
