

# Refund Policy

**Please read carefully  
before purchasing**

- We will happily **exchange most items**, as long as they still have the tag attached.
- We are **unable** to offer an **exchange** on **hats, beanies, scarves** or **bags**.
- If any item is **faulty, defective** or **damaged** at the time of purchase, we will **replace the item** immediately.
- When an item is exchanged for a cheaper item, the difference can be used towards the purchase of another item. **This purchase must be made at the time of exchange.**

*Thank you for your understanding.*
