

Outside School Hours Care Newsletter

Trinity Primary School Richmond

05th March 26

These weeks, children enjoyed a range of engaging experiences that supported collaboration, creativity, and active play.

One of the highlights was our continued interest in ping pong, where children demonstrated teamwork, turn-taking, and positive sportsmanship. It has been wonderful to see their growing confidence and enthusiasm during friendly matches.

Another favourite activity was the marble run, which encouraged problem-solving and cooperation. Children worked together to design, test, and modify their structures, showing persistence and creativity as they explored different ways to improve their designs.

Throughout the week, children also benefited from opportunities for free play and group interaction, strengthening friendships and building a strong sense of belonging within the service.

Thank you for your continued support.
