World Challenge presents the Wanganui Park Secondary College expedition to Vietnam!

Dear Parent/Guardian,

We are excited to advise there are 7 spaces available on the upcoming World Challenge expedition team to Vietnam in 2018 with Wanganui Park Secondary College

We hope after reading this and talking to your son or daughter that you'll consider World Challenge as we believe it is an important and exciting opportunity to expand the skills and experiences of your child as they continue their education.

A person with a large backpack is sitting on a rocky outcrop, looking out over a vast mountain range under a blue sky with scattered white clouds. The person is wearing a red jacket and dark pants. The backpack is black and orange, and a green mat is visible on the back.

Vietnam

Acclimatisation

Teams will spend a few days acclimatising in either Ho Chi Minh City or Hanoi before moving on to a trek in a National Park. The flora and fauna on these treks are stunning and the guides have an incredible wealth of knowledge.

Trekking

Teams have the option of a 5-day hill tribe trek where they can stay in village huts, mixing with locals and learning to cook Vietnamese food. Alternatively, there is an option of a jungle trek where camping skills can be put to good use and teams can learn about the jungle environment.

Community Engagement

Teams carry out project work in both rural and town locations, including work in villages, kindergarten schools, disabled orphanages and caring centres. This is an excellent opportunity for cultural exchange with the children who are eager to work with the teams on renovation tasks.

R&R

Vietnam offers abundant R&R options including exploring Ha Long Bay on a junk boat in the north, visiting the once proud palaces of the Nguyen emperors in Hue, enjoying some snorkelling at the beaches of Nha Trang, or heading out from Ho Chi Minh City to visit the floating markets of the Mekong Delta.
