Around the Grounds

6A

A hard fought try in the final play of the match helped Marist secure a thrilling, come-from-behind victory. Having lost by less than a try twice this season, you would have forgiven the 6As for losing belief. But they never gave up hope and we're rewarded when Max Caughtley crashed over the line with seconds to play. It was a wonderful result for a team who has worked hard to improve this season.

We look forward to watching the players develop in the future and know that they will do their best to uphold the values and character that epitomises Marist College Rugby. It's been a genuine pleasure working with this energetic squad, an enthusiastic coaching crew and a supportive group of parents. Bring on 2022!

6B

A very tough St Pat's team showed up ready to play on Saturday morning, and to the credit of the Marist 6Bs, they were ready for the challenge. A hard fought 10-5 win, with a double to Riley Hansel, with his second coming late in the 2nd half to put the boys in front. A great end to the season for a team that continued to improve every week.

6C and 6 Gold

Bar Bar's 27 def. Mar Mar's 25

A huge game on McMahon Oval to finish the season and it didn't disappoint! The Mar Mar's fought hard throughout the entire game and it went down to the wire, unfortunately conceding a last minute try and conversion to narrowly lose. The boys played incredible team rugby and the back line had some excellent tries of the back of some impressive ball movement.

5A

The 5As were determined to finish their season on a winning note and they were challenged to take the St Pat's boys out of the game early. The Pat's forwards dominated the breakdown in the first half with the Marist loose forwards too slow at getting to the breakdown, but the Marist defence held firm and the team continued to put on points. Playing for the full 40 minutes has been a challenge for this team throughout the season and this fixture proved no different with the second half proving to be a much tighter contest. The Marist boys finally managed to get the ball wide and scored a couple of tries late to ice the game.

An impressive season with the boy's development a highlight, looking forward to the challenge of 2022!!

5B

The 5Bs finished their season strongly with a convincing 52-0 win over St Pat's. The boys were fired up for their last game of the year and came out firing right from the get go. Connor O'Rourke led the way early with a first half hattrick and went on to score 2 more tries. The forwards as a pack were completely dominant which allowed the flood gates to open. The team also put in some

great defensive shifts when tested numerous times by St Pat's on their own line, managing to keep a clean sheet. Well done to the boys on a great season.

5C

In what started as a close contest against an evenly matched Iona side, with both side working well together in the first half. The Marist boys took hold of the reins in the second half. Harry Player was the star of this match taking home a hat trick. The team has developed very nicely over the past 7 weeks and is great to see all the players showing improvement. It was a great game and a fitting end to an even better season.

5 Gold

With a celebrity coach taking the reins for the 5 Gold's final game of the season the boys had a lot to prove. The clash earlier in the season had been a little one sided but the Iona team started strongly. The instruction in the second half was to get the ball wide and this immediately paid dividends with the game opening up. In what was a tight tussle, the 5 Gold boys scored late to seal the victory. Special thanks must go to Archie McConnell for playing for the opposition.

Congratulations on an undefeated season, a special achievement.
