Rostrevor X Manchester City Football School Holiday Clinics

Rostrevor College is proud to announce in partnership with Manchester City, the launch of the Rostrevor X Manchester City Football School Holiday Clinics for 2023.

Held at Rostrevor College during the Term 2 July School Holidays, the clinics are designed to develop players' skills in a fun, safe and exciting environment inclusive of all abilities. Our Holiday Clinics are run by Manchester City Coach, Jamie Lee, and team of experienced and qualified coaches.

The 3 hour daily session will ensure players are challenged appropriately in a range of technical and tactical game practices.

Each session will include a piece of fruit, with participants receiving a Manchester City X Rostrevor Football Holiday Clinic Promotional Pack to keep, inclusive of water bottle, bag and clinic polo.

Details on what to bring and clinic specific information will be sent to families once week prior to the start of the clinics.
