# FINAL COMMUNITY CONSULTATION MEETING

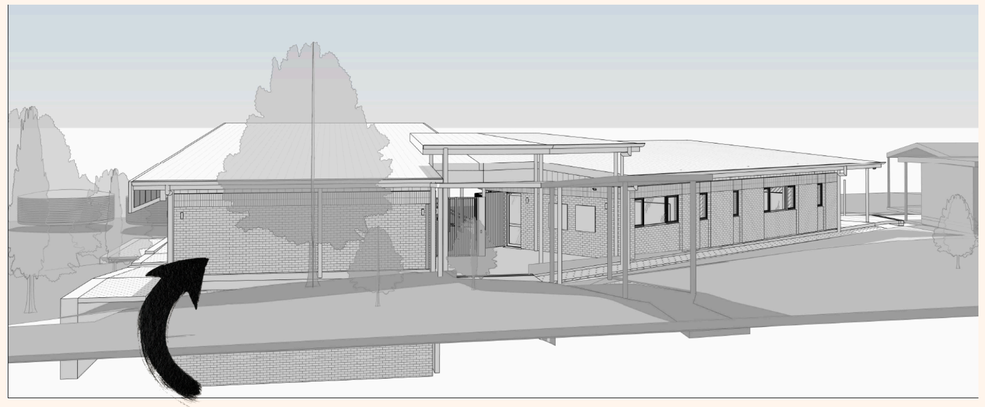

## Monday 9th November 2026 - 4pm at Rocky River Public School

**Come along to our final consultation on the Rocky River Public School mural design.**

**Uncle (Mima) Dave Widders will share his final mural design before he commences paint work. The mural will be displayed at the front of our new school building in 2027. We are excited to also digitise this design, to place onto a permanent uniform piece for staff and students to wear with pride.**

**Thank you to everyone who has shared ideas on how this artwork can reflect the rich history and generations of families who have come through our school over the decades.**

**All students (past & present), parents, families, community members welcome.**

**NEW MURAL WILL GO HERE (STREET VIEW, FRONT OF SCHOOL)**
