MEERILINGA PARENTING SERVICE

Ten minutes of play can change the whole day!

6 weeks of guided play and activities including songs, games and stories, and some supportive resources for parents. Build the connection between mum/dad/carer and child.

Play is an effective and fun way to help your child's healthy emotional, social and physical development – but not all parents find it easy!

Join us to find helpful ideas to ease tricky times and transitions. Become a more playful parent and help your child to thrive.

Parent and child attend together, ideal for children ages 1-4. We welcome families with babies.
