

Royal Freemasons' Benevolent Institution

Dear Students and Parents,

I am pleased to announce the launch of this years' RFBI Christmas Card Competition and invite your child/ren to take part in the fun.

Now in its fifth year this competition has proved overwhelmingly successful for both students and our residents who take great delight in judging the designs created by the students

This year's theme is "*All I want for Christmas is...*" which we hope will give children the opportunity to share images of Christmas activities in your family.

Competition details

Each student can enter one design of their own creation which will be judged by a panel of our RFBI Armidale Masonic Village residents. Designs will be evaluated on overall design and how well it reflects the theme.

All Christmas card design entries need to be created on a white sheet of A4 paper.

The winning design will be used on our RFBI Village Christmas cards and the student will receive a book voucher, framed certificate and a pack of 20 Christmas cards of their award winning design.

Competition Entry Dates: 27th August – 20th September 2018.

Students can submit their designs between these dates. All Christmas card designs need to be handed into your School Office by Thursday 20th of September.

Winners will be selected in October with prizes awarded in late November.

We look forward to seeing your designs and wish each participant the best of luck.

Kind regards,

Natalie Green
