

# Welcome to Camp Australia Tallebudgera OSHC

## Term 2

Children have created a  
Cooking monitor schedule  
so next time you're in come  
and join our Cooking Club

### What's been happening...

Our school holiday program is out and has lots of exciting activities and days, which will entertain the children throughout the holidays. Don't forget to book in early as places fill up fast. The last two weeks of term we are focusing on our favourite things. Whether it be craft activity, sport, games, we will aim to please. We have our favourite cooking recipe coconut cake, which with a little bit of strawberry jam is a sure favourite with everyone.

Further extensions we learnt about cyber safety and what not to put on the internet. This supported the children with their understanding of online use.

This Month's focus goal we have been working on our Community Links

As part of our OSHC program during these times we are ensuring that the children are being supported and aware of the importance of Active play and exercise. Over the last weeks children have been engaged in a variety of drills, games and challenges to build on our endurance. Children have really been enjoying bombs away, Oz tag drills, duck duck goose, stuck in mud as well as group challenges Vs Educators with soccer.
