

KELLY CLUB AITKEN NEWSLETTER TERM 2

Since returning from school holidays, the children have been engaged in many activities. As the first week back was a short week, we did some arts and crafts such as making lanterns, animal masks and yarn monsters.

During week two, we celebrated our mums and loved ones for Mother's Day. The children made special gifts throughout the week, this included: decorating mugs and pot plants, key rings and necklaces, made cards and yummy chocolate balls. It was great seeing how thoughtful the children were and how much effort they put into their gifts.

Week three just happened to be the Year 3 student's week of picking some activities. The Year 3 children decided as a group that our activities for the week will be a drawing competition, watching a movie, playing football and dodgeball and building things out of marshmallows.

Reminder:

If your child is attending on a regular basis, please ensure you are making permanent bookings. If our numbers are at capacity for the day, your request may be declined.
