

Instrumental Music Interest Form

If you're new to the school or haven't learnt an instrument at Baimbridge College in the past.

At Baimbridge College we have, as part of the curriculum, an introduction to music that involves learning some music theory and a practical music experience involving instruments and voice.

As well as this we offer an opportunity to students to learn a chosen instrument for the year, coming out of class one period per week for lessons on a single instrument (that may be hired from the school). This will involve home practice on the instrument, dedication to improving, and often a level of frustration, but the end result will be a life-long skill, fun with other musicians and perhaps a great feeling of pride and satisfaction.

I have more information and a formal enrollment sheet, but for now I'd like to know if you think you'd be interested in learning an instrument.

Here is a list of instruments that are offered...

- Flute
 - Oboe
 - Clarinet
 - Bassoon
 - Saxophone (Soprano, Alto Tenor and Baritone)
 - Trumpet
 - Trombone
 - Tuba
 - Voice
 - Guitar (not many places, and you will need your own instrument)
 - Bass Guitar (even less places and you will need your own Bass)
 - Percussion
 - Piano (You will need a piano or Electronic Keyboard at home)
-

If you are interested please return this section to Mr. Hayes or the office as soon as possible... (there are limited places and instruments so please be prompt if you're keen on a particular instrument)

Name _____ Year level ____

First choice of instrument (if this is your only choice please leave the next two lines blank)...

1:

Second choice...

2:

Third choice (if any)...
