

# Polly Woodside

Dear Mother and Father,  
I am writing to you from the  
Polly Woodside, we are currently  
in the middle of the ocean.

I am missing you guys so much  
and the captain is really bossy, so  
at the next stop which is Cape  
Town, I am planning on leaving the  
ship and joining the crew on another  
ship. Hopefully the ship's captain  
will be nicer.

The weather here is actually pretty  
nice it is sunny and warm,  
hopefully it stays that way.

My job is the navigator so if there  
is danger ahead I have to ring the  
bell to let the bossy captain know.

The Polly Woodside has so many rats, last night I found two rats in my room eating away at my map, luckily they only ate the corner that was already torn.

Yesterday one of the cabin boys fell overboard so I had to ring the bell like CRAZY to let everybody know. Once everyone heard the bell all the cabin boys, cook, first and second mate and the captain came to help me pull him up but unfortunately we were too late.

*Our next stop is Cape Town,  
where I am planning on leaving  
the ship to join another ship.*

*I hope to see you soon xoxo  
Love from your dearest  
daughter Eleina.*
