School Fees & Levies - 2024

The following are the fees and levies for St Mary's School 2024. To comply with recommendations from the Catholic Education Office, Sandhurst, there has been a slight increase to the family fee. All 2024 excursions are included in our excursion levy, and this should eliminate the need to send money to school for events, such as sports days, Life Education, swimming program or incursions. If students are selected for region or zone competitions this will be at their family's expense – should they choose to participate. If you would like to discuss fee payment options or make other arrangements for your fee payments, please contact the Principal.

1. Family Fee \$1,070	3. Student Levy \$220	5. Excursion Levy:	6. Camp:
2. Capital Levy \$50 <i>(formerly Land Fund Levy)</i>	4. Technology Levy \$160	+ F/1/2 \$160	+ Year 3/4 \$170
		+ Year 3/4 \$170	+ Year 5/6 \$220
		+ Year 5/6 \$190	

The table below has some examples of what a family may be charged for the 2024 school year and instalment options. If there is not an option to suit your family, please contact the Principal and an instalment plan can be worked out. School fee relief is also available for families to access. Please contact the Principal to discuss. Please indicate how you would like to pay school fees for 2024 on the slip below and return to school ASAP. Thank you.
