Around the Grounds

6A

The boys put in an outstanding team performance which exceeded expectations and built on the previous weeks result. Tom Ryan anchored the midfield and backline with his strong intercept marks, whilst Harry Coulter kicked 2 goals in 2 minutes to secure the win.

6B

The Boys had a great game today, it was a real team effort. Cooper Chapman was outstanding today, he's a real goal scorer, while Ted Armstrong and Tom Casey pulled off some great tackles today.

6C

The 6Cs had a great game, kicking the first goal of the game and their first goal of the season. Unfortunately, tiring out in the last quarter resulted in their opponents scoring some last minutes points and running away with the game. Well done boys, improving every game.

5A

Our first goal of the season came in the first 30 seconds thanks to Jimmy Corbett. From the first bounce the 5As were dominant with the boys keeping St Pat's to 2 goals for the entire game. Our efficiency in front of goals and our work in the midfield set us up for our first victory. The improvements from last week were great to see.

5B

A well-deserved first win of the season. The boys started off slowly and unfocused in the first quarter. After a bit of an encouraging spiel at quarter time the boys went out and played superb. They carried that momentum throughout the rest of the game which ultimately resulted in the victory. The highlight of the game was in the third quarter when the ball was cleanly moved from the backline through to the forward line without the opposition interfering with the ball once. The subsequent goal was only possible due to the boys finding space and playing as a team. Well done boys - bring on Padua!

5C

They boys bounced back tremendously after last weeks close game, with a strong opening half leaving the boys with a considerable lead. Then followed a dominant third quarter with the boys scoring 5 unanswered goals which was polished off by a great fourth quarter where the boys used the chance to work on their teamwork around the ball. Congrats fellas on a great win!!
