

YEAR 4 CAMP

WOW! That was probably my favourite three days of my life.

“Bye mum! See ya Xav! Bye Sonny” I said, giving my mum a gigantic hug.

“You’ll have the best time and we will miss you. Dad will pick you up” mum replied, with a big smile on her face.

1-2-3-4-5-6. I was on the bus on the way to CAMP ADANAC, my first camp ever. I sat next to Maddy with Cassie in front. Maddy was very upset that she was leaving her mum and she was crying when we hopped on the bus. Cassie said she also gets homesick so she was crying too.

“WHAT there is a TV in the bus! You’re joking? That is so cool!” I mumbled to Maddy.

“YEAH COOL” Maddy replied.

Charlie and The Chocolate was playing but I struggled to see the TV.

“SO I AM GOING TO GIVE YOU YOUR CAMP BOOKLETS” Miss Tilley yelled over the chatter.

“YOU WILL NOT OPEN THEM UNTIL I SAY SO, IF YOU SEE ANYONE OPEN THEIRS BEFORE I SAY SO AND YOU TELL ME YOU WILL GET A LOLLY.” She continued.

“Uhhhhhh I am so nervous to see who I am in a cabin with” I said to Maddy.

“mmm y-e-a-h s-s-same” Maddy said, in a wobbly voice.

“3-2-1 OPEN!” Yelled Miss Tilley.

We all shuffled through our pages until we found out who we were in a cabin with.

“YES! I am in a cabin with you guys and Saihaj. YES!” I screamed.

At Camp the activities were Canoeing, 110m Waterslide, Disc Golf which is where you throw a frisbee into a metal chain box thing and you count how many throws it takes you, Bush Hut Building, Photo Hunt, Flying Fox, Low Ropes and Bush Cooking. My activity group did not get to do Bush Cooking because of the rain so we had free time to bounce on the trampolines and play basketball. My favourite activity was by far Canoeing. The hut building was cool but I was sitting in front of the gap in our hut and when Miss Tilley made it ‘Bucket Down with Rain’ she through water all over me so I was drenched. I went so fast down the Water Slide. I got 28km per hour on the water slide and Miss Tilley got 44km per hour witch was the highest score out of everyone on Camp. At the end of camp we played 2 games, Bombardon and Block Busters.

Bombardon is where you had to try and hit the other team’s pins down with a ball and you can hit the opponents. If you get hit there is a medic and the medic has to grab you had and you run to the wall and you’re safe. If the medic gets hit and your down you are out for good. Jack the camp leader made the game more interesting and if you got a goal in the basketball hoop you get bonus points.

Blockbuster’s is where you have two teams and there are about 10 rows of 3 and there is a table in front of the rows of chairs with blocks on them that had letters. Miss Tilley would ask you a question and you would make the answer with the blocks and you were not allowed around the front of the table and first team finished would win the point. It was great fun!

The people I shared a cabin with were Cassie, Maddy and Saihaj. I was really happy with the friends I was in a cabin with. Cassie had a double bed and slept on the bottom whilst Saihaj slept on the top of that bunk. I slept on the top so Maddy slept on the bottom on another bunk. Our room and bathroom was pretty tidy. The annoying thing about the shower was when we had a shower the water leaked everywhere making the floor a bit slippery.

Silly Tilley activity group had duty group on the first night and I was in her group so we went to the dining room and set up for dinner. The first meal we had when we got there was choc chip muffins for afternoon and for dinner we had this delicious lasagne and some buttery garlic bread and some fresh salad. Dessert came and we got to have some jelly with ice-cream and a lolly snake on top. The cooks called this 'Snake in a Lake'. The next morning for breakfast we had porridge, toast and cereal. After some activities we had morning tea we had M&M cookies and for lunch that day we had warm sausage roll with some potatoes. Later that day for afternoon tea there was HOT JAM DOUNUTS that were amazing! By dinner time, we were all starving and ready for some filling dinner. We had a potato, some steamed carrots and yummy chicken schnitzel. Now it was time for dessert which was a chocolate brownie with melted chocolate over the top and some ice-cream. To start the next day we had some porridge toast and cereal and for a special treat hash browns. For morning tea we had some rainbow cake since it had been Kitty's Birthday. For our last meal at ADANAC we had a salad sandwich that we got to make ourselves. My favourite meal was the chocolate brownie with melted chocolate over the top and some ice-cream. It was my favourite meal because I have never had it before and it was yummy!

Disco night was so cool. Nearly everybody danced and had a good night. I loved watching everybody dance and be themselves. Cassie, Maddy and Saihaj and I played truth or dare and I got dared to go up on the stage and dance. Cassie also did and her moves were so so so so funny!

The night we had movie night was super cold so we got to snuggle into Maddy's sleeping bag. 'Like Mike' was the movie we watched. It was a basketball movie about a little boy got to play in his dream team. I wore my PJ's and my UGG boots. I also took my pillow.

A low about camp was Mr Farmer watching me slip over in the mud whilst I was trying to help Cassie up from falling over in the mud. Now, Mr Farmer has told the hole of 4A and 4B. A high about camp was being in Miss Tilley's group and having all my friends in my cabin.

I was really happy when I found out my old Year 3 teachers were coming on camp, Mrs Ball and Mrs Levine. Mrs Hall was really funny so I was happy I was near her cabin. All the teachers who came to camp were really nice so it was a joy on camp.

I loved my first Year 4 camp and I am so excited for Year 5 camp.
