25th September 2020

Dear Members of our St Edward's School Advisory Council and Parents & Friends Association,

Unfortunately COVID restrictions continue to limit our ability to meet face to face. Due to these restrictions we will not be hosting a meeting this term. Despite the constraints that COVID has placed on us, we have had a fantastic year that has been filled with successes in spite of challenging times. We have worked well as a 'team' to build culture and promote learning success in our school. We are only sorry we have not had a chance to celebrate these positives face to face with you, as a whole school community.

Our School Satisfaction Survey results were very positive. If you would like a copy of this to look at please do not hesitate to make contact with us.

Once again, we would like to thank you for your support of us and our wonderful school throughout 2020.

Kind regards,

Lisa McSweeney
