Around the Grounds

6A

6As played their first game at Des Connor Park for the year, Marist won the toss and elected to field. The excellent bowling form continued with the wickets being shared between Cam, Sam, Balti, Ollie, Josh, and Pat, limiting SPC to 7/73. In the second innings, Marist chased down the target with determination. Cam's 20 and Charlie's 12 contributed significantly as Marist clinched victory by 4 wickets. The match showcased Marist's balanced performance, with disciplined bowling and composed batting. It was a well-fought game reflecting the true spirit of cricket at Des Connor Park.

6B

6C

Marist lost the toss and were sent into bat. Jamie and Sam J opened and ensured we got off to a strong start. Our incoming batsmen were able to maintain a steady run rate which at times was contained by tight SPC bowling. Finishing on 2/55 at drinks. After drinks we looked to increase the run rate which the boys did really well with some great rotating of strike and hitting boundaries to finish on 5/132

The boys were confident that our bowling would be able to restrict SPC. Our bowling continues to be a strength and the boys were able to bowl with great accuracy restricting SPC to 4/47 at drinks. We looked to keep the pressure on which with some help by our fielders we were able to limit SPC to 6/86 after 20 overs.

Players of the match - Jamie Murdoch and Sam Brown

Special mention - Sam Brown for a great catch in the field and 0/0 off 2 overs

Jamie Murdoch 46 (26) including 8 4's

6 Gold

Well done to the boys for their win today against Iona College; the game started well with all our early batters retiring. The boys were keen to put runs on the board, however at times the no balls and wides made it difficult for the boys to increase their score. Harry Maher was our top scorer with 10 runs, Thomas Feebrey on 5 and Theo Katter continued to add to our score with his early calls and push for runs. The boys entered the second innings feeling confident they could take the game, and it wasn't long until the wickets started falling. Harry Maher's bowling was on point and took the first wicket off the third ball of the innings; two more fell shortly after. Joaquin Santana - as well as executing some fine bowling - took a superb catch.

A great morning of cricket. The boys have not only improved over the season but are also learning more about the game.

5A

A quality all-round team performance this week and a result that the boys deserve to be proud of. Winning the toss and sending SPC into bat on a very small field the challenge was always going to be restricting the opposition's scoring. Tight bowling and some good fielding held SPC to a total of 8/130. The openers signalled their intent from the first over running quick singles and hitting two boundaries and this trend continued throughout the Marist batting innings. Pat's managed to get a couple of lucky wickets but the Marist 5As always had the target in check, surpassing SPC in the fourteenth over.

5B

Another great win from the 5B cricket team. With extremely short boundaries and a quick outfield we were going to have to put up a defendable score. And didn't the boys do that just! The young men played with confidence hitting the St Pats bowlers to all parts. An opening stand from Angus Hutchinson and Lucas Nightingale set the tempo where the rest of the team followed. With good hitting from almost every player, we put up a very defendable 189 off 25 overs. The boys knew they had to field and bowl well to get the job done. Every member of the team continues to contribute in either the bat, ball or in the field. A good all-round performance bowling St Pats out for 43 off 12 overs gave the boys an early mark. A special mention to Will Firouz for keeping a smile on his face after getting a golden duck and turning it around to bowl extremely accurately getting 2 wickets and 1 run off his over. Well Done boys!

5C

Another impressive performance from a team who are eager to learn, their improvements are evident. Despite an unpredictable wicket, the 5Cs worked hard with the bat to keep the run rate ticking over, taking quick singles and belting regular boundaries. Schmidt and Boucaut were particularly entertaining to watch. Bowling was equally impressive with each boy stepping up and bowling accurately with pace. This was a performance all can be proud of. Well done boys!

5 Gold

An explosive batting session saw the boys put on an impressive 117 against Marist 5 Green. The efforts of the opening and middle order inspired some excellent cricket from the tail enders Tom and Hugo who made it look easy smashing away four after four. Tom even smashed a massive 6 into cow corner on his last ball. The incredible batting was just a pre show for the text book bowling that was to follow. Tom continued his hot streak with 3 wickets off 2 maiden overs. The fielding efforts of the boys did not go unnoticed with one run out and one incredible chance. The wicketkeeping from Jack Felix was also a demonstration on how it should be done with a difficult scream behind the wicket.

Overall, the Gold boys played well against their mates and all boys should be proud of themselves.

5 White

With a few men short it was already looking tough for the boys from the beginning. However, they put up a good fight to keep their chase to a manageable total. Ultimately, it was the heat and missing players that made the chase a little too much in the end. All around it was a positive game from the boys, leaving nothing out on the field.

5 Green

In another tough game for the boys they sent the Gold boys into bat first eager to get as many wickets as possible. The bowling today arguably the best of the season helped the boys limit the amount of sundries given to the other team with their batting giving them a strong total.

They were sent in with a hard chase of 117 and amongst tough efforts and tight running between the wickets partnered with a few fours. The boys batted out the 20 overs and ultimately fell short. The boys should be really proud after another week of versing tougher teams
