Basketball – Around the Grounds

6A

Buoyed by two days of competing at the CBSQ 3v3 tournament, the 6As were ready to take it to Iona on Friday afternoon. Despite only playing with 1 sub, the boys were able to execute their full-court press to perfection, leading to some easy buckets. The run continued throughout the game as the boys made unselfish plays and continued to run the fast-break. Special mention to Will Ferguson who continued his week of form to lead the team in scoring.

MVP: Will Ferguson

6B

Today we were right in it up until half time. Iona came in thirsty for a win and played a physical well drilled game. Our boys fought hard for most of it before the score line blew out in the 4th quarter. Looking forward to having another crack next week.

6C

Iona were quick to put on points and very quickly our team became frustrated at the number of turnovers due to, at times, lack of communication on the court and Iona in turn took advantage of this. Working as a team and some terrific defence in the second half resulted in pressure being put back on Iona to come within 2 points of the lead. To lose by only 5 was a tremendous result. A very solid game from all eight boys proving difficult to choose an MVP.

MVP: Jackson Harney

6D

A strong and very quick Iona raced to an early lead and forced our team to make uncharacteristic handling errors and frustrating our team throughout the first quarter. Second and third quarters saw us attempt to slow the play resulting in us clawing back the lead to four points. However, too many turnovers and Iona took advantage of this with them eventual winners by 2 points!! In an error riddled game, all boys did not stop trying and gave 110% always.

MVP Kayden Kyoung and Caelen Rabie

5A

Showing signs of improvement, the 5As challenged a very strong Iona side for all four quarters. A notable 2nd quarter from our boys as everyone stepped up and played the best team basketball, we have seen from them yet. Just falling short by 11 final score 38-27.

5B

The 5B team continues to improve each week. The 38-19 loss doesn't reflect the effort the boys put into the game. The Iona boys were as impressive as their new gym and were better on the day.

5C

Playing the 4:00pm earlier game, the 5Cs were straight off the bus and into their work with a strong first quarter. This continued in the second quarter with the boys playing great basketball taking a big lead into halftime.

The boys didn't let up in the second half with strong defence, leading to easy points on the fast break. Overall, it was our best performance of the year and great to get our first win.

MVP: Josh Pola

5D

Finally, a win! The 5D boys claimed a 6-point victory over Iona on their home court. After flying out to an 8-point lead early on, it seemed inevitable that today was the day. Some great passing and shooting from all 9 players put us in a great position. The lead stayed at 8 points until the 3rd quarter when Iona slowly got themselves into the game. A low scoring and nerve-wracking 4th quarter with many missed chances from both teams ensured a tight finish. Ethan Wu made 4 key stops diving on the ball to keep possession in our favour. Final score 20-14.

MVP: Ethan Wu
