THE WEMBLEY BAND

Introducing the 'X'

Abi - Drummer

Matias & Sara - Bassists

Oscar, Hugo & Rory -
Guitarists

Sadie, Iris & Ella - Singers

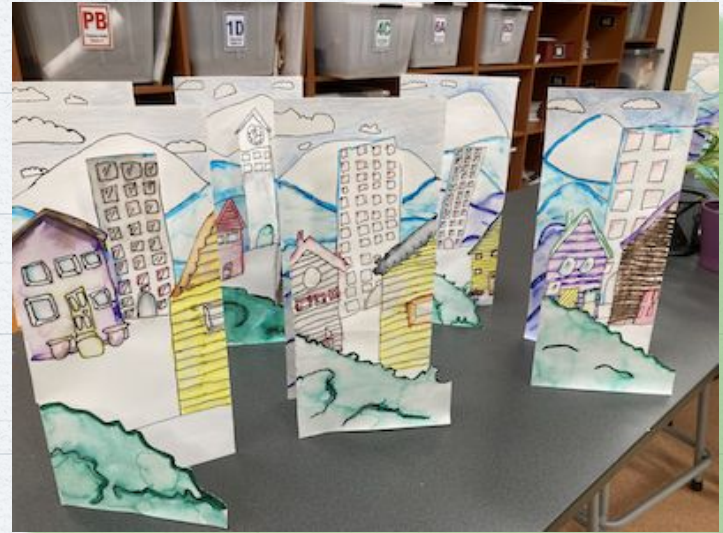

The 'X' performed their first gig at the Wembley Senior Disco. They covered songs by *The White Stripes* & *The Clash*.

VISUAL ARTS - MIDDLE YEARS

- **Years 3&4:** The Year 3 and 4 students have recently finished learning about perspective in landscapes and enjoyed creating their own folded landscapes, which clearly show the **foreground**, **middleground** and **background**.

Students drew buildings of their own design in the middle ground making sure to step each building back on a slightly higher level to comply with the rules of linear perspective.

They also learnt about aerial perspective and how that affects colour.

VISUAL ARTS - PREPPIES

- **Foundation Year:** Our Preps have been learning to draw what they observe and develop their skills in drawing people, so we have been working on **self portraits** with colourful 'force fields'. Lots attention was paid to making limbs look solid, (no sticks) and thinking about body proportions. They did a fabulous job. The Preps also worked on their painting skills and created fabulously bright striped backgrounds for their self-portraits.

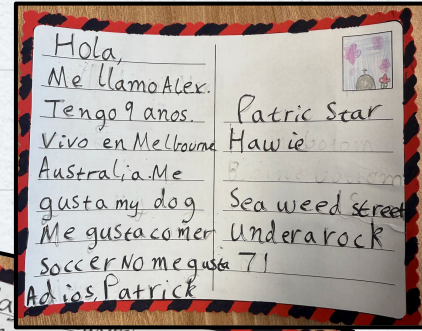

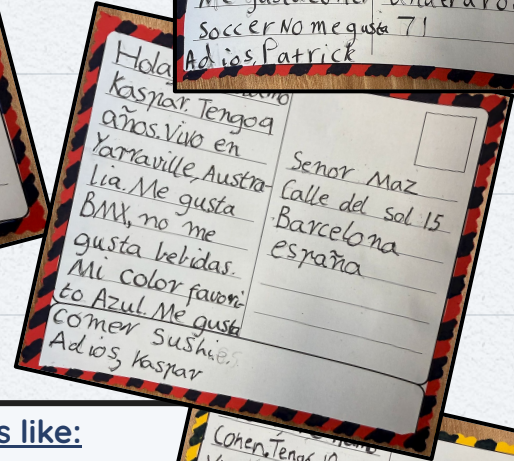

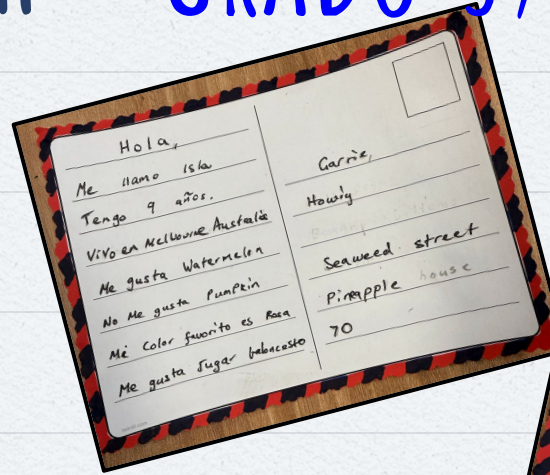

SPANISH - GRADO 3/4

Our Grade 3/4 students have been doing a fantastic job learning how to write letters in Spanish!

A key focus has been using the correct structure of a letter, including greetings, introducing themselves, sharing information about life in Australia and asking questions in Spanish.

Students then applied their learning by creating postcards, combining their writing skills with creativity and cultural connections.

You might see sentences like:

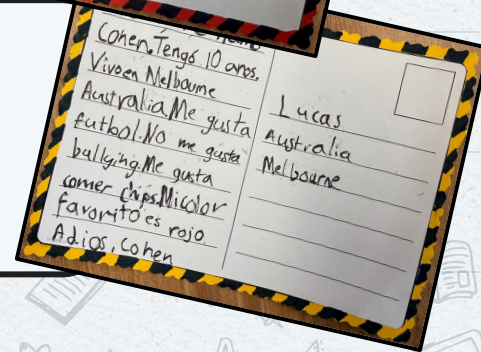

Hola = Hello

Me llamo... = My name is...

Vivo en Australia = I live in Australia

Me gusta... = I like...

¿Cómo estás? = How are you?

REGIONAL CROSS COUNTRY

- On June 15th, Ari, Will, Mitchell, Anna, Aalia, Elsa, Hazel, Charlotte, Iris, Eden and Henry competed in the SSV Western Metropolitan Primary Region Cross Country Carnival at Keilor Athletics Track and Sports Precinct. All of them were outstanding in their efforts against very strong competition. We are so proud of them all, what an extraordinary effort! Big shout out also to Max H. who qualified but couldn't compete on the day.
