

Position Vacant

Junior Draftsperson
Full Time

Ardal Water Solutions is an independent irrigation design and consulting service providing services to both corporate and private irrigators throughout Australia, New Zealand and worldwide. Ardal Water Solutions specialise in the engineering and hydraulic performance of all kinds of irrigation systems for varying crops, as well as the practical requirements in both the installation and operational phases of any works. Our team consists of a range of engineers, horticulturalists, project managers and technicians – all of whom specialise in agriculture specifically.

We are currently seeking an enthusiastic Junior Draftsperson to join our friendly team local to Mildura.

The role is full-time, 38 hours per week.
This role commences Monday 29th January 2024.

Duties include:

Assisting the team to accomplish drafting work within time constraints to company standards.

Preparing project design and documentation using CAD, IrriCAD and GIS based software.

Adhere to professional standards, ethics, and quality procedures.

Contribute to our company culture.

On the job training with the required software and company requirements will be provided.

Future qualification options should the successful candidate meet the relevant performance requirements after end of year 2.

For further information on any of the above please address your enquires to

Matthew Forward accounts@ardalwater.com.au

Please note you must leave your full name, address and contact details.

Applications close on 10th November, 2023.

Please submit your application addressed to Matthew Forward including:

- A cover letter explaining why you wish to pursue a career in drafting.
- Resume
