Important Notice: Make sure you are booking in!

Dear parents and community at Clifton Hill Primary School

If your child attends our program, it is **extremely important** that you are booking your child in for the session.

To maintain the safety of our Educators and children at all times, we cannot accept “walk in” bookings on the day if this exceeds our child to educator ratio requirements.

We operate at a 1:15(Educator to child) ratio.

Please ensure that your child is **booked in online** for the session (doing this will trigger an alert that more staff members need to be put on the roster), or contact Customer Care on 1300 105 343 to book.

If it is an Emergency situation, please let us know. Otherwise please ensure you are booked in for your sessions.

Meet the Team

We’re here to make OSHC the best experience possible. If you have any questions about the program, feel free to drop by, meet the team and see what happens first hand in the program.
