Photography & Digital Imaging Workshops

Photographic Studies College (PSC) will be running two *free* **Photography & Digital Imaging Workshops** for Year 11 and 12 students in the upcoming April school holidays. In these two "hands-on" practical events, students can learn helpful tips and ways to be creative with studio lighting, people photography and much more in a fun and dynamic way from PSC's team of photography and imaging professionals. Students just need to bring their smartphone or digital/mirrorless camera (if they have one) and lunch will also be provided.

Students can choose from:

1. **STREET PHOTOGRAPHY 'The Decisive Moment'** on Wednesday 10 April 2024 from 10.30am – 2.00pm.
2. **EXPERIMENTAL STUDIO LIGHTING "Colour, Props and Gels"** on Thursday 11 April 2024 from 10.30am – 2.00pm.

The workshops will take place at **Photography Studies College 37 - 47 Thistlethwaite St. in South Melbourne**.

Monash Engineering Girls (MEG)

Monash Engineering Girls (MEG) is an engagement program designed for young women who want to know about the possibilities of a career in engineering. If you like maths and science, are creative, a problem solver, enjoy working in a team and designing things, engineering might be the perfect career choice for you.

MEG is open to all Year 9-12 girls with an interest in a career in engineering, and participating in this program is a great way to get insights into the many opportunities available in the field of Engineering. Students can join in Year 9 and remain until they finish Year 12. During that time, students will have the opportunity to participate in a range of special activities and VIP events that will help them gain an understanding of all the different types of engineering and which one could suit them. They will also form connections with others like themselves, have lots of fun experiences, and interact with current Monash Engineering students to learn what it is really like to study at Monash. Students will also get to meet the talented academic staff who teach at Monash, as well as many graduates who are doing amazing things in their lives and careers.

MEG students are invited to the first MEG event for 2024 on Tuesday 9 April 2024. Monash Engineering in collaboration with STEAM Engine Co. is delivering a STEAM City Workshop which is exclusive for Year 9 to 12 Monash Engineering Girls (MEG) members and is designed to develop key skills such as problem-solving, design thinking and project management. This event is an exclusive workshop for MEG members only, so please join MEG to receive the invitation for this workshop.
