

# Have a disability, illness or health condition, including mental illness, and looking for work?

## Disability Employment Services (DES)

As a Disability Employment Services (DES) provider, Maxima helps people living with a disability, injury or health condition, including mental illness, to find a job and keep it. You may have worked previously or have been looking for work and need some assistance in navigating the best approach. Maxima is focused on positive employment outcomes and it is important to us to understand and respect your needs. We then work with you on a job/employer match and are your ongoing contact to help you in your new job. Some qualifying barriers can include:

**Respiratory Conditions**  
**Endometriosis**  
**Dyslexia/Dyscalculia Epilepsy**  
**Schizophrenia**  
**ADHD/ADD**  
**Autism Spectrum Disorders**  
**Blood Disorders**  
**Personality Disorders**  
*(Borderline, Antisocial, Mania)*

**PTSD/CPTSD**  
**Arthritis**  
**Anxiety/Depression**  
**Hearing Impairment/Loss**  
**Vision Impairment/Loss**  
**Acquired Brain Injury**  
**Diabetes (Type 1/Type 2)**  
**Fibromyalgia/Chronic pain**

## Jobs Victoria Mentors

Long-term unemployed or those at risk of long-term unemployment, are also eligible for Jobs Victoria Mentors if more personalised employment support is required. Jobs Victoria Mentors is a voluntary program to help jobseekers to find work by providing assistance with skills development, training, individual coaching and making the right connections with employers.

**We're Local! Bairnsdale | Coburg | Cowes | Dandenong | Frankston | Lakes Entrance | Moe | Morwell | Orbost | Sale Traralgon | Warragul | Wonthaggi**

Maxima is a not-for-profit community organisation, and has worked to connect individuals and businesses across Australia for over 35 years, providing recruitment, training, employment and NDIS services.

Maxima acknowledges the Traditional Owners and custodians of Victoria. Through our actions we will respect cultural heritage and recognise their connection to lands, waters and community. We pay respect to Australia's First Nations Peoples and to their Elders past, present and emerging.

## Have an employee at risk of losing their job through illness, injury or disability?

Maxima can assist you and the employee to get them back to higher levels of productivity - Maxima can help. Up to 12 months of workplace based assistance can be provided at no cost to you through the *WorkAssist Program\**. This can include:

**Face-to-face support with advice about job redesign**

**A comprehensive workplace assessment**

**Workplace modifications or special equipment**

**Personal support in the workplace to help manage the impact of the injury, disability or health condition**

**Access to Maxima NDIS Allied Health support**

Maxima's Specialised Consultants have the expertise and experience to further explain to you and your employee all the benefits and eligibility requirements. **Ask us how.**

\* *WorkAssist* is funded by the Federal Government, through Disability Employment Services (DES) and free to all employers.

**Any questions? Require more information about our services or eligibility?** Contact your local Community Services Consultant:

# Have an NDIS Plan and need some help to get what you need, in a way that suits your needs and goals?

## NDIS Support Coordination

Maxima Support Coordinators will help you unpack your NDIS Plan and assist you in building your skills and independence to navigate the system yourself. Navigating the NDIS and your needs can be challenging, daunting and time consuming – Support Coordination at Maxima is all about capacity building and goal achieving. We work alongside you, to find the supports that suit you and build the skills and independence you need to get you where you want to go.

## NDIS Plan Management

Maxima Plan Managers take the pressure away from dealing with the financial management of your NDIS plan. We work alongside you to make the most of your budget. Our team work locally, giving you the choice to work with a Plan Manager who is based in a Maxima office near you, in a way that suits you best.

## NDIS School Leaver Employment Supports (SLES)

Maxima delivers SLES to help participants access meaningful, individualised capacity building activities and achieve your goals – a program for participants aged 16-22 years, living with a disability, and with an NDIS plan. Our team of NDIS consultants work alongside you, because it's a program tailored to you, to build skills and confidence that best support you and your transition into a job or an industry you love!

## NDIS Telehealth Services

- get what you need when you want it.

Want easy access to timely appointments in a way that most aligns with your needs and goals? Maxima's Allied Health Professionals offer quick and easy Telehealth appointments for people with an NDIS plan, anywhere across Australia for Physiotherapy, Occupational Therapy, Exercise Physiology and Developmental Education, plus no wait times for appointments.

We can provide exercises, Assistive Technology reports and functional capacity assessments via Telehealth in the same way as a face-to-face session, with regular reviews to ensure you get the right level of support under your NDIS plan.
