The mighty 6Ds continued their winning streak on the weekend against the St Laurence's C team. Significantly reduced numbers on the opposition team, provided our boys with the chance to have more field time, with most boys fielding and also bowling for the other team during our batting innings. Credit to these boys for their efforts and giving their best whilst playing for both sides. Theo Katter is named man of the match for hitting three 4s and taking 3 - what looked like effortless - catches. Well done to Harry Maher for his maiden over and to Tom Feebrey for his wicket. The boys were definitely a little more hungry for runs this weekend, and I hope their enthusiasm continues in Round 3. A big thank you also to the parents for their continued support and involvement.

5A

The 5As came up against a very good Padua side.

Winning the toss and choosing to bat, tight Padua bowling restricted the scoring. Sundries were the highlight of the batting innings with a total of 55. The running between the wickets was much improved but there is still a way to go. 102 was going to very tough to defend.

The Marist fielding effort was again fantastic but loose bowling meant that wickets were hard to come by. Padua kept the score ticking over to win the game with three overs to spare. Line and length bowling will be the focus of training this week.

5B

Another great win from the 5Bs. The boys were sent into bat and got off to a steady start with the opening batsmen holding down both ends. Throughout the innings, the running between the wickets was great and the boys took all runs that were on offer. Towards the back end of the innings Rafael Cienfuegos and Angus Hutchinson hit some valuable runs to get a defendable total of 124. The boys were extremely tight with their bowling, limiting wides and extras. All of the boys bowled well, but there were a few missed chances in the field for runouts. Some clean striking at the end of the Padua innings had the boys a little nervous, but they held out with Rafael Ahlmolm picking up some wickets and Joshua George taking some great sky catches. Another great all-round performance.

5C

Marist won the toss and Ruben Vos sent the visitors into bat. Although we were only able to manage one wicket while bowling, positive and confident fielding helped keep Padua to a very chasable score. However, some early avoidable runouts put us on the back foot and we were unable to recover, falling just 18 runs short by game's end. In a tightly fought, low-scoring contest, it was discipline with the ball and 4 run-outs, which proved the difference. Despite the loss, the boys had a great time and learnt some valuable lessons about T20 cricket. Lots to work on this week at training, and lots more fun to come!

5 Gold

After winning the toss and electing to bowl first on a drizzly Field D the boys were amped up with a few early wickets and a strong fielding defence. Such defence limited Padua to only running 6 runs the rest being made up by sundries (something to work on at training). After 20 overs Padua achieved 52 runs. Strong and smart opening saw the boys get to the drinks break 3 wickets down for 63 runs, winning the game. Continuing after the break the boys were inspired to have a hit with fours a plenty and George Rigby and Pat Thirgood coming back in after retiring and showing the tired Padua side how Grade 5 cricket can be played.

5 White

BYE

5 Green

On a rainy day the boys came together well to defeat Villanova in a game filled with close calls between tough catches and close run outs. Choosing to bat first from the toss led them to post a comfortable total against Villa with all boys working together to score as many runs as possible. A strong bowling effort saw the boys stroll through their 20 overs quickly defending a score of 3/75 with the boys holding Villa to less than 10 actual runs (the bulk of the runs coming from sundries). Solid effort from all the boys as they worked together running between the wickets and in backing up their fielding to start the season off comfortably.
