

CHELTENHAM EAST NEWSLETTER

WHAT'S BEEN HAPPENING

Last week we were excited to welcome all our students back for a brand-new term! It was wonderful to see so many smiling faces returning and catching up with friends after the holidays.

To celebrate the excitement of the FIFA World Cup reaching its final stages, the children enjoyed a range of soccer-themed games, creative activities and friendly competitions throughout the week. The enthusiasm and team spirit on display were fantastic!

Students also had the opportunity to sign up for our Term 3 clubs, including S.T.E.M. Club, Homework Club, Art Attack Club, Cooking Club and many more. We loved seeing everyone choose activities that matched their interests and gave them the chance to learn something new.

This week, our clubs officially kicked off, and they have already been a huge success! Children have been building, creating, experimenting, learning and making new friendships while exploring their favourite activities. We can't wait to see the wonderful projects and achievements that come from each club over the coming weeks.
