

## ACADEMIC SUPPORT

Master Classes are one hour sessions conducted once a week in term time. Each week they reteach, revise and reinforce the topics and areas of study that students are dealing with in their classes at school.

## OBJECTIVES

### Master Classes offer students:

- ✓ Ongoing academic support
- ✓ More confidence at school
- ✓ A better chance of success in assessments
- ✓ Individualised help solving specific problems
- ✓ Small group classes
- ✓ Subject specific study-guide booklets

## A SUCCESSFUL PROGRAM

All students attending our programs report that they feel more confident in tackling their assessment at school.

Some students find it very difficult to sustain an independent study program. These Master Classes offer them a structured way to comprehensively prepare for their exams.

## ABOUT OUR TUTORS

The staff engaged to deliver these programs are experienced subject specialists. Some are heads of department, others are senior teachers and most have marking experience. They have all delivered similar programs in the past and the student feedback from these classes has always been excellent. This feedback can be accessed from [mastermindaustralia.com.au](http://mastermindaustralia.com.au).

## ABOUT OUR STUDENTS

Students from all WA schools attend our Master Classes on the CCGS campus and they all have the one objective in common: to improve their understanding of the course content and increase their success in school-based assessments and exams.
