WHAT'S BEEN HAPPENING

Dear children and parents,

Our cooking activity has been the most popular activity in this term. Children really love it. Children can learn cooking skills and even have their reading skill got improved, such as reading recipe, measuring and mixing ingredients. More importantly, enjoy their cooking works. Also, our recipes are available for parents, so they can do it at home with their children. These recipes are to provide healthy food for children.

Also, we are happy to receive your feedback about our recipes 😊. Thanks to Adam's Mum, we know Adam loves cooking and tried our recipe at home! Well done, Adam! 😊

Finally, don't forget family event which is to be held on Friday, 24th of March. Team Kids will be there and bring children fun games. 😊

We are looking forward to seeing you there.😊
