Padua 53 def. MCA 5 White 51		

Around the Grounds

6A

In what was a great batting display the team posted an impressive total of 124. With only 4 wickets lost the boys showed great patience and resilience against the St. Peter's bowling attack. Highlighted by Connor O'Rourke's smashing 23 and Vinnie Heenan's 11 the boys had one of their best batting innings this year. After a slow start to the bowling innings the boys found themselves playing catch up at the drinks break and with a great switch in mentality, and improved bowling, they fought their way back into game contention. Vinnie highlighted the bowling taking two key wickets and going for only 6 runs while Billy Towers bowled a wicket maiden bringing the team together for their final push. Towards the final over the boys knew the game was close and the pressure was high which led to some ambitious fielding decisions sending the game into the last three balls with St. Peter's eventually taking the victory.

6B

A shaky start saw Marist slip to 7/53 before a solid partnership from Stirling McDonald and Damon Johnston lifted the 6Bs to all out for 72. The Marist boys started the bowling innings strongly with some

accurate bowling restricting St Peter's early. With the game on the line Jackson Keir held his nerve to secure a great win.

6C

Through a great batting performance, losing only one wicket all innings, the boys showed patience and confidence at the crease, highlighted by both Ryan Williams and Tom Clapham scoring 7 runs that helped the team reach a total of 64. This was followed by great bowling by Jack Lambley (2/8) and Jacob Lamers (3/9) which helped put St. Peter's under pressure forcing the game into its last three balls. Unfortunately, the boys just came up short but it was a great performance from all of them none the less.

6 Gold

In what was a very close game, Villanova scored 63 runs and the Marist boys fell just short on 61. Andrew Vetter and Luke Byrne top scored both getting 12 runs and Isaac Gillett was the top wicket taker with two wickets.

6 White

The boys played a great game on Saturday against a strong St Patrick's 6 Gold team. The bowling was excellent compared to our previous matches, with the 2 most notable bowlers being Darcy Frazier taking 3/9 and James Burt taking 3/16, yet it was a great performance by all. The best batters were Eion Doyle and Darcy Frazier. To sum up, the boys have improved cohesively as a team, with the boys showing great energy in the field and encouraging the bowler steaming in. Batting was tough as St Pat's had good, consistent bowlers, unfortunately in the end the opposition ended on top. However, it's nothing to be ashamed of, this was the best game of the season (so far).

5A

After a long and unfortunate mid-season break, the 5As roared back into action on Saturday morning putting together their most complete performance of the season. Great knocks from Charlie Barnett and Patrick and Jack Easter got things moving while Tate Miles 26* from 16 deliveries helped boost the score to over 200!

Delicious birthday cupcakes supplied by the Pope's were devoured with smiles during the break giving the team the energy needed to rip in with the ball. Great spells from Will Hutchinson, Charlie Barnett and Dermot Whitaker helped the team secure their first victory in an exciting and entertaining season thus far. One to go boys!

5B

In what was only the second game of the season for the 5B team the boys were excited to make the most of the opportunity. St Peter's opening bats showed some promising early form but consistent bowling soon broke the partnership. Although St Peter's were not up to the same standard as the boys from MCA, they never gave up, managing to bat the full 25 overs. Extras again were the disappointing area of the 5B bowling attack with the bowlers gifting St Peter's 51 runs in their total of 88.

The highlight of the match came following the innings break with the team challenged to "take every run" and they did this brilliantly. Nick Cienfeugos' 32 not out from only 15 deliveries, including 7 fours was a player-of-the-match performance, proving that good things do come in small packages!! The batting highlights did not stop there with four other players also managing to retire not out, a mention must go to Josh McLean for hitting a booming six from the final delivery he faced.

As the 5Bs play their final fixture this weekend, the challenge is to bowl more accurately and finish the season on a high. Well done 5Bs!!

5C

A very pleasing win for the 5C team against their Villanova opponents. The boys were challenged to bowl more accurately this week after giving away 35 extras in their last match. They responded by only bowling 18 extras this week across their 20 overs (Perhaps it was the chupa-chups on offer!)

Regardless, the boys restricted their opposition to 11 runs off the bat in a much-improved bowling and fielding effort.

Another area of great improvement was the running between wickets and the calling of runs. Overall, a great morning for the team who, as always, showed great sportsmanship throughout both innings. Thanks to the parents who helped with the scoring and umpiring this week.

5 Gold

MCA 5 Gold defeated St Patrick's by 14 runs. Some excellent fielding resulted in 3 run outs and some tight bowling by all, was the difference. Jackson Davis was best bowler with 1/1. The Marist team batted well for a total of 64 runs. Brasco Forrest faced a number of balls for a brave 9 runs. Adhu Sudheesh came in down the order and smashed a number of boundaries to finish with 14 runs, including three 4s. The final score was Marist 6/64 def St Pat's 4/50. The boys are looking to end the season undefeated playing their last game this Saturday.

5 White
